

MATERIAL SAFETY DATA SHEET

VACsealB

Page 1 of 2

1. Chemical Product and Company Identification

Product Code	VACsealB
Product Description	Premium grade, black sealant tape - box of 20 rolls
Supplier:	VAC Innovation Ltd Kilworth Lakes Kilworth Road North Kilworth Leicestershire LE17 6JG
Emergency Phone Numbers:	01858 882000 07971 000458/9

2. Composition / Information on Ingredients

Homogenous mixture of mineral filler, synthetic rubber, inert liquid polymer, and process oil.

3. Hazards identification

No known hazards.

4. First Aid Measures

Eyes:	If eye contact occurs with any of the material, irrigate the area thoroughly with cold water.
Mouth (ingestion):	In case of ingestion of any material, drink water and seek medical attention immediately.
Skin:	Wash affected area. If irritation of the eyes or skin persists seek medical attention.

5. Fire Fighting Measures

Suitable Extinguishing Media:	Foam, Foamspray AFF, Dry Powder, Carbon Dioxide.
Unsuitable Extinguishing Media:	None Known.
Combustion Products:	Water, Carbon Dioxide, Carbon Monoxide, Incompletely burned carbon products.

6. Accidental Release Measures

Personal Precautions:	Remove any source of ignition until all the material has been cleared.
Environmental Precautions:	Keep away from drains and water courses.
Clean up procedures:	Small quantities of spilled material should be collected up immediately with rags and the material and rags disposed of in solid waste containers.

7. Handling and Storage

Handling:	Ensure good ventilation. Avoid contact with skin and eyes, and do not swallow.
Storage:	Store in cool dry conditions away from direct sunlight or any other source of heat, at temperatures below 25°C.

8. Exposure Controls / Personal Protection

Occupational Exposure Limit:	None.
Respiratory Protection:	Maintain good ventilation.
Eye and skin protection:	Avoid contact with skin and eyes.

9. Physical and Chemical Properties

Appearance:	Soft, tacky, solid extruded strip, reeled onto release paper.
Colour:	Black.
Odour:	Very low odour.
Flash Point:	Not applicable.
Solubility:	Soluble in organic liquids, insoluble in water.
Volatile Content:	None.
Specific Gravity:	1.6

10. Stability and Reactivity

Stable at normal ambient temperatures.

11. Toxicological Information

Eye contact:	May cause smarting and irritation.
Skin Contact:	Prolonged contact will de-fat and dry skin, leading to possible irritation and dermatitis.
Inhalation:	Not applicable.
Ingestion:	May cause irritation of the mouth, throat and digestive system and eventual vomiting.

12. Ecological Information

Degradability:	Biodegradable.
Ecotoxicity:	Aquatic and terrestrial ecotoxicity not known.

13. Disposal Considerations

Dispose of in accordance with regulations, e.g. incineration or landfill.

14. Transport Information

UNNO:	Not applicable.
Symbols:	Not applicable.

No special packaging or labelling requirements for road, rail, sea or air transport.

15. Regulatory Information

EEC Supply Classification + labelling:

16. Other Information

This product safety data sheet conforms to EC Directive 91/155/EEC as well as its amendments.
The information provided is accurate to the best knowledge of the company
