Section 2 Hazard Identification													
<p>Classification of the substance or mixture GHS: Not a hazardous substance or mixture.</p> <p>GHS Label elements, including precautionary statements Not a hazardous substance or mixture.</p> <p>Hazards not otherwise classified (HNOC) or not covered by GHS None</p>													
Section 3 Composition/Information on Ingredients													
<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 50%;">Hazardous Ingredient</th> <th style="width: 25%;">CAS Number</th> <th style="width: 25%;">Percent</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">None as per 29CFR Part 1910.1200</td> <td style="text-align: center;">N/A</td> <td style="text-align: center;">N/A</td> </tr> </tbody> </table>		Hazardous Ingredient	CAS Number	Percent	None as per 29CFR Part 1910.1200	N/A	N/A						
Hazardous Ingredient	CAS Number	Percent											
None as per 29CFR Part 1910.1200	N/A	N/A											
<p>Proprietary mixture of synthetic waxes with a non-hazardous water-based adhesive coating. No components need to be disclosed according to the applicable regulations.</p>													
Section 4 First-Aid Measures													
<p>Inhalation If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. If not breathing, give artificial respiration. If signs/symptoms continue, get medical attention.</p> <p>Skin Contact For contact with ambient temperatures, wash with soap and water.</p> <p>Eye Contact Flush eyes with water as a precaution.</p> <p>Ingestion Never give anything by mouth to an unconscious person. Rinse mouth with water.</p>													
Section 5 Fire-Fighting Measures													
<p>Extinguishing media Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.</p> <p>Special hazards arising from the substance or mixture On combustion, carbon dioxide and carbon monoxide may be produced.</p>													

Section 5 Fire-Fighting Measures continued

Advice for firefighters

Wear self-contained breathing apparatus for fire-fighting if necessary.

Section 6 Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

For personal protection see section 8.

Environmental precautions

None known

Methods and materials for containment and cleaning up

Collect in suitable containers for disposal.

Section 7 Handling and Storage

Precautions for safe handling

Provide sufficient air exchange and/or exhaust in work area.

Conditions for safe storage, including any incompatibilities

Store at ambient temperatures in closed containers. Do not store in heat or direct sunlight. Keep away from flame and open electrical coils. No chemical incompatibilities.

Section 8 Exposure Controls/Personal Protection

Components with workplace control parameters

None known

Appropriate engineering controls

Provide exhaust ventilation or other engineering controls. An eye wash station and safety shower should be located near the workstation.

Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection

Use safety glasses equipped with side shields.

Respiratory protection

The need for respiratory protection is not anticipated under normal use conditions and with adequate ventilation. If elevated airborne concentrations above applicable workplace exposure levels are anticipated, a NIOSH-approved organic vapor respirator equipped with a dust/mist prefilter should be used.

Hand protection

Wear suitable gloves.

Body protection

No special protective equipment required.

Safety Stations

Make emergency eyewash stations, safety/quick-drench showers, and washing facilities available in work area.

General Hygienic Practices

Avoid breathing dust, vapor or mist. Avoid contamination of food, beverages, or smoking materials. Wash thoroughly after handling, and before eating, drinking or smoking. Remove contaminated clothing promptly and clean thoroughly before reuse.

Section 9 Physical and Chemical Properties

Appearance	Medium brown/dark yellow solid
Odor	Mild
Odor Threshold	No data available
pH	No data available
Melting Point	>279°F (>137°C)
Initial boiling point	No data available
Evaporation rate	No data available
Flash Point (COC)	465°F (240°C)
Flammability (solid, gas)	No data available
Upper/lower flammability	No data available
Vapor Pressure	No data available
Vapor density	No data available
% Volatile	0
Relative density (g/cc)	0.90 ± 0.05
Water Solubility	Insoluble
Coefficient: n-octanol/ water	No data available
Auto-ignition temperature	No data available
Decomposition temperature	No data available
Viscosity	Solid at room temperature

Section 10 Stability and Reactivity

Reactivity

No dangerous reaction known under conditions of normal use

Chemical stability

Stable under normal temperatures and pressures

Possibility of hazardous reactions

Hazardous polymerization not indicated

Conditions to avoid

Heat, open flame

Incompatible materials

None known

Hazardous decomposition products

Thermal oxidative decomposition can produce carbon monoxide and carbon dioxide

Section 11 Toxicological Information

Information on toxicological effects

Acute toxicity	No data available
Skin corrosion/irritation	No data available
Serious eye damage/eye irritation	No data available
Respiratory or skin sensitization	No data available
Germ cell mutagenicity	No data available
Carcinogenicity	Not considered carcinogenic by NTP, IARC, or OSHA
Reproductive toxicity	No data available
Specific target organ toxicity	
Single exposure	No data available

Section 11 Toxicological Information continued	
<p>Specific target organ toxicity Repeated exposure Aspiration hazard</p>	<p>No data available No data available Not relevant</p>
Section 12 Ecological Information	
<p>Toxicity Persistence and degradability Bioaccumulative potential Mobility in soil Results of PBT & vPvB assessment</p>	<p>No data available No data available No data available No data available PBT and vPvB assessment has not been carried out</p>
Section 13 Disposal Considerations	
<p>Contact a licensed contractor for detailed recommendations. Dispose of in accordance with applicable local, regional, national, and/or international regulations.</p>	
Section 14 Transport Information	
<p>DOT: TDG: IMO/IMDG: IATA/ICOA:</p>	<p>Not regulated Not regulated Not regulated Not regulated</p>
Section 15 Regulatory Information	
<p>US Federal Regulations SARA 311/312 Codes: No hazard categories identified SARA 302: No components in this material are subject to the reporting requirements of SARA Title III, Section 302. SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.</p> <p>US State Regulations California Proposition 65: This product does not contain any chemicals known to the state of California to cause cancer, birth defects, or other reproductive harm.</p> <p>Inventory Status European Union: To the best of our knowledge all chemicals in this product are compliant with REACH regulations. United States (TSCA) Inventory Status: All ingredients listed on the EPA TSCA inventory requirements Canada (DSL/NDSL): Listed in DSL</p>	

Section 16 Other Information

Disclaimer

The following supersedes Buyer's documents. SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No statements herein are to be construed as inducements to infringe any relevant patent. Under no circumstances shall Seller be liable for incidental, consequential or indirect damages for alleged negligence, breach of warranty, strict of liability arising in connection with the product(s). Buyer's sole remedy and Seller's sole liability for any claims shall be Buyer's purchase price. Data and results are based on controlled lab work and must be confirmed by Buyer by testing for its intended conditions of use. The product(s) has not been tested for, and is therefore not recommended for, uses for which prolonged contact with mucous membranes, abraded skin, or blood is intended; or for uses for which implantation within the human body is intended.
